[Verse 2]

I never realized I was spread too thin

Till it was too late and I was empty within

Hungry, feeding on chaos and living in sin

Downward spiral, where do I begin

It all started when I lost my mother

No love for myself and no love for another

Searching to find a love upon a higher level

Finding nothing but questions and devils

[Chorus]

Cause I'm losing my sight, losing my mind

Wish somebody would tell me I'm fine

I'm losing my sight, losing my mind

Wish somebody would tell me I'm fine
