

MR FREEDOM - MOTHER EARTH

riff x4 

Take this world away from me
 It's choked up with blood and misery
 I never wanted to belong
 To somebody telling me I'm wrong

D D F# G A A A# C D D D D (A, C, D)

The world must change for the mad generation
 To bring to the people a little education

G G C D E D C G A

[chorus]

Mr Freedom

Mr Freedom

Mr Freedom

Mr Freedom

riff x4

What's the point in crying when it's free?
 There's far more teardrops in the sea
 Have to find a way to carry on
 Put the fanfare back where it belongs

A world full of peace and good reservations
 We need our heroes to bring us salvation
 Bring us salvation
 Bring us salvation

[chorus x2] subiendo un tono el segundo

E, D, C# E

Solo de guitarra sobre riff x4

I never wanted to belong (paradillas)
 To somebody telling me I'm wrong (paradillas)
 Take this world away from me (paradillas)
 It's choked up with blood and misery
