

[Verse 1] *SW BDO* YOU GONNA GO FAR KID - THE OFFSPRING

Am

Show me how to lie

F

you're getting better all the time

C

And turning all against the one

G

is an art that's hard to teach

Another clever word

sets off an unsuspecting herd

and as you step back into line

A mob jumps to their feet

*ASO*

Now dance fucker dance

man he never had a chance

And no one even knew

it was really only you

*Am F C G x 1*

[Pre-chorus]

F

And now you steal away

*Am*

take him out today

F

Nice work you did

*Am*

you're gonna go far, kid

*G-G-G covers*

[Chorus]

Am

F

With a thousand lies and a good disguise

C

Hit 'em right between the eyes

G

'em right between the eyes

Am

F

when you walk away, nothing more to say

C

See the lightning in your eyes

G

See 'em running for their lives

*Am F C G x 2*

[Verse 2]

Slowly out of line

and drifting closer in your sights

So play it out I'm wide awake

it's a scene about me

*Am F C G x 1*

There's something in your way

and now someone's gonna pay

And if you can't get what you want

well it's all because of me

*Am F C G x 2*

Now dance fucker dance
